2021 年度秋学期定期試験における新型コロナウイルスワクチン接種への対応について

■新型コロナウイルスワクチン接種の予約(接種機関に関わらず)をする際は、なるべく各自の試験日の前日および当日を避けてください。

■自治体等によりワクチン接種日が指定され変更できない等の場合には、未受験代替措置の対象になります。所属学部の事務に、予めご相談ください。ただし、ワクチン接種日を選択できる場合に試験日を選び、試験を欠席したときには、未受験代替措置の対象にはなりません。

■ワクチン接種後の副反応による発熱等のため試験を欠席する場合は、大学規定の事由の「病気・怪我」に該当しますので、試験後所定の申請期間内に診断書またはワクチン接種日がわかる書類(接種記録書または接種済証の写し)を添付して、未受験代替措置の申請をしてください。この申請を行わない場合、欠席した試験の代替措置は講じません。

Dear students,

Novel Coronavirus Vaccinations in the 2021 Fall Semester Regular Examinations

■ When making an appointment for a novel coronavirus vaccination (regardless of where it will take place), please avoid booking appointments that are the same day or the day before of examination days.

■ If your vaccination appointment date cannot be changed because it has been set by your local government, etc., then you will be eligible to apply for an alternative mode of examination. In this case please contact your faculty or department office in advance. However, if you are able to choose the date of your vaccination, and choose an examination date and are therefore absent, you will not be eligible for an alternative mode of examination.

■ If you experience an adverse reaction after receiving your vaccination, such as a high fever, etc., then you can apply for an alternative mode of examination. However, you will need to provide documentation, such as a medical certificate or a vaccination certificate that shows the date you took your vaccination (duplicates are acceptable), as this would be classed as “Illnesses and injuries” under Hosei University regulations. No allowances will be made for students who do not complete this application.
