### Class Search

Select and enter the search word and click the search button

You can search for [Class title] and [Instructor name] by selecting either "partial match", "forward match", "backward match", or "complete match". (Otherwise "Partial matching")

- Partial match for words or phrases that match part of the search term(s).
- Forward match for words or phrases that match the first word of the search term(s).
- Backward match for words and phrases that match the last word of the search term(s).
- Exact for words or phrases that exactly match the search term(s).

When you specify a keyword in [keywords], syllabus text will be target.  
 \* Only one phrase/term can be specify in on input field.
