For: GBP/SCOPE Students Whose Japanese Level is J3 and Below at the Time of Entrance

Notification on  
Official Class Registration for  
“Elementary Foreign Language A/B/C/D/E/F”

As for the GBP/SCOPE students whose Japanese level is J3 and below (J3, J2, J1) at the time of entrance, official class registration for the Elementary Foreign Language A, B, C (Fall Semester) and Elementary Foreign Language D, E, F (Spring Semester for GBP students) will be completed by the GBP/SCOPE Office before the class registration period starts/after each student’s Japanese level is set. Therefore, official class registration for these classes will be done by the Office of Academic Affairs.\*.

However, students are required to register temporality on the Learning Management System by themselves and also confirm that the registered classes are correct during the official class registration period on the Information Portal. In case there is an error, students MUST report it to the office during the official class registration period.

As for the GBP/SCOPE students whose Japanese level is J4 and above, students have to register classes which they want to take by themselves, the same as for other classes. However, GBP students whose Japanese levels are upgraded to J4 and above and have not completed Elementary Foreign Language D, E, F, the Office of Academic Affairs will register the students for the appropriate compulsory classes\*.

\*Students have to take a Japanese test and interview with Japanese teachers before the class begins. Details about the test and interview will be announced by the JLP office.

If you have any questions, please consult with GBP/SCOPE Office staff before the official class registration period ends.
