Message	Look forward to seeing all of you next semester.	The results are mainly based on your academic interest, academic performance and preparation	Students who wish to apply during the second round should contact me by email.	Students who wish to apply during the second round should contact me by email. Students were selected based on their academic interest, preparation and performance.	We have some more vacancies for the second round. If you are interested, contact me by email.	Students who wish to apply during the second round should contact me by email.	Accepted students must take Social Psychology (1 or 2), Quantitative Research Methods, and Statistics in their third year if they haven't taken them yet.	The results are primarily based on their preparation, ability to articulate research interests and academic performance.	We look forward to studying with you. A little linguistics goes a long way.	Students who wish to apply during the second round should contact me by email.

Please contact the Professors directly if you would like to apply for Seminar 2nd Round.
