2nd Round	x	×	○	x	△	x	○	X	x
Message	Thank you for applying to my seminar. Decisions were made based on interview, motivation, and academic achievement (GPA).	<p>This year, I received an exceptionally large number of applications. However, the number of available seats is limited, and as a result the selection process became extremely competitive. There were many applicants who, in another year, might well have been accepted. In a relative evaluation process, these outcomes are sometimes unavoidable.</p> <p>My decisions were based on a holistic review of each applicant. I did not evaluate candidates solely on the Statement of Purpose. I also considered your interview performance—how well you prepared, the clarity of your academic interests and research ideas, your foundational knowledge and ability to engage in discussions across various areas of business management, and your overall motivation for academic learning—as well as your GPA. Indeed, many applicants had exceptionally strong academic records.</p> <p>Thank you for your understanding.</p>	Seats are still available for motivated 3rd and 4th year students. Interested students should contact me by email.		Please contact by email: decisions will be made based on interviews and application documents.		I could accept a couple more students (both 3rd and 4th year) if they demonstrate some background in psychology. Please send the application document by email by Dec 15.	Decisions were made based on interviews, research ideas, and GPA.	

Please contact the Professors directly if you would like to apply for Seminar 2nd Round.
